**CTC GROUP SUPPORTS THE FIRE VICTIMS**

CTC Group expresses its deep sympathy and support for those affected by the wildfires in Limassol.

As part of its long-standing commitment to the community, the CTC Group companies, Argosy Trading Company, CTC Automotive, and Ermes Department Stores Plc, responded to the calls of the South Nicosia Idalion Municipality and the volunteer group "*Agkaliazo me Agapi*" by sending food supplies, essentials, and clothing, supporting both the affected families and all those on the front line — firefighters, Civil Defense members, volunteers, and everyone who actively participated in fighting the devastating wildfires.
